Since moving here in June 2006, I have been playing hockey all over the Ottawa area at various levels with various groups/leagues (ie Travellers, Minto, OMSHL). The highest level I've played since being here is with the 1st Division of Travellers sparing for a team called Pro Cam. Due to my current schedule I have only spared for teams and cannot commit to anything more. Most interested in playing intermediate to high level but would play for any team if I'm available.
